

ROCKY MOUNTAIN  
SHOULDER & ELBOW SOCIETY  
SECOND ANNUAL MEETING

July 20-21, 2007 • Boulder, Colorado

# ROCKY MOUNTAIN SHOULDER & ELBOW SOCIETY

ST. JULIEN HOTEL & SPA  
Academic Session - Centennial Ballroom

## AGENDA

### Friday July 20, 2007

Lunch/Registration 11:30am - 12:25pm

Meeting 12:30 - 5:45pm

Cocktails & Dinner - 5:45pm

### Saturday July 21, 2007

6:30 - 7:30am Continental Breakfast

7:30am - 12:00pm Meeting

(Boxed Lunch Also Provided)

## COURSE DESCRIPTION

The goal of this meeting is to discuss controversies regarding the full spectrum of treatment options for shoulder surgery.

Our distinguished regional and guest faculty will present their experience and management of glenohumeral arthritis & instability, shoulder fractures, rotator cuff tears and advanced techniques of reconstructive shoulder arthroplasty.

Discussion sessions will be interspersed during the course enabling participants to actively engage with the faculty in all aspects of shoulder surgery.

## REGISTRATION

To register, call Kathy Ann Zarrella at

**303-321-1333** or email her at

**kzvik84@aol.com** by June 22, 2007.

**Registration Fee:** \$80

Number of participants is limited.

## COURSE TOPICS

### Rotator Cuff

Optimal Fixation Technique  
Role/Technique ASD/DCR  
Massive Tears/Repair  
and Tendon Transfer  
Biceps  
"Patches"-Are they Useful?  
Complications and  
How to Avoid Them  
DEBATE:  
Open VS Arthroscopic Repair

### Arthritis

Arthroscopy: When Is It  
Indicated? What to Do?  
The Role of Resurfacing  
TSA: Implant and Exposure  
Unconstrained TSA: Subscap/  
LHB/Capsular Release-Plication  
PT afte RCR/Unconstrained TSA  
Role of the Reverse Prosthesis  
Complications of the  
Reversed Prosthesis  
Management of the Failed  
Arthroplasty

### Instability/Labrum

Treatment of the  
First Time Dislocator  
Treatment of the Recurrent  
Dislocator  
How to address bony/soft  
tissue deficiency  
What is a SLAP Tear?  
How to Treat  
DEBATE: Anteroinferior  
instability in the Contact Athlete:  
Arthroscopic VS Open VS Latarjet

### Trauma/Fractures of the Shoulder Girdle

Type III AC Separations  
ORIF of the "Z" Clavicle Fracture  
ORIF of Displaced Proximal  
Humerus Fractures  
Hemiarthroplasty for  
Comminuted Proximal  
Humerus Fractures  
Revision of Failed Treatment of  
Proximal Humerus Fractures

### Other Topics

Shoulder Tumor Overview  
Adhesive Capsulitis  
Suprascapular Nerve/  
Snapping Scapula

### Case Presentations

There will be a session at the  
end of the meeting dedicated  
to case presentations by  
attendees and faculty.
